INSTRUCTIONS

Sl st into the top corner st with first yarn color you want to use for your border.
This is just to attach the yarn to the project.

Rnd 1:

sc in the same st you just sl st'd into,
sc in each st across the row,
in the last st or first corner, make 3 sc in this same st.

- The first sc is the last st for that side
- The second sc is the turning st
- The third sc is the first st on the next side

When working the sides of your blanket, you will make one sc in the side of each row that starts or ends with a sc or a hdc, make 2 sc in the side of every row beginning or ending with a ch 2 or dc, make 3 sc in the side of every row beginning or ending with a ch 3 or tr.

Make 3 sc in the next corner.

You should now be working along the bottom of your blanket or into round 1. Make one sc between each st of row 1.

(Make sure to count your stitches to make sure you have the same count as number of sts in row 1)

Make 3 sc in the next corner.

Work the next side of your blanket the same as you did on the other side of the blanket.
